## The Clery Act

On Nov. 8, 1990, President Bush signed the "Student Right to Know and Campus Security Act of 1990." is ac applies to every institution of higher education that receives federal nancial aid. Title II of the Act was called the "Campus Crime Awareness and Campus Security Act of 1990." It requires institutions of higher education to distribute to all current students and employees and applicants for enrollment or employment two types of information: (1) descriptions of policies related to campus security and (2) statistics concerning speci c types crimes. Amendments enacted in 1998 renamed Title II, which is now known as the "Jeanne Clery Disclosure Campus Security Policy and Campus Crime Statistics Act."

# University of Arkansas – Fort Smith History

UAFS was established in 1928 as an extension of the public school system in Fort Smith, Arkansas, and has gone through distinct phases to become a regional university.

Fort Smith Junior College was rst housed at what is now Darby Junior High, followed by a move to the new high school, now Northside High School. e college operated within the Fort Smith Public School System until 1950 when it was incorporated as a private, nonpro t institution with its governing board. In September 1952 t campus moved to 15 acres on Grand Avenue, a portion of its current site. Two brick buildings and one woode structure that previously housed the county hospital for the indigent and the local "poor farm" were converted classrooms and o ces. e fall semester began with 108 students and 10 instructors.

During the 1950s and 1960s, the college forged ahead in its role as a comprehensive community college - a new concept in Arkansas and across the nation. In the fall of 1965, the Sebastian County electorate approved the creation of the Sebastian County Community Junior College District, the governor appointed a Board of Trustees, and the school again became a public institution.

Fort Smith Junior College became Westark Junior College in 1966, indicating the larger area to be served, followed by Westark Community College in 1972. roughout the 1980s and early 1990s, the college developed and grew. e year 1989 brought another signi cant development: the establishment of a University Center on th Westark campus, allowing four-year institutions to o er junior-, senior-, and graduate-level courses at Westark.

In 1997 the state legislature passed an act praising Westark and its ability to manage change, o cially designated Westark as a "Unique Community College," and granted it authority to o er in its own right up to nine applied bachelor's degrees developed in response to identified needs in the area and industries served.

e name of the college was changed yet again in February 1998 to Westark College. e next major step came

#### Mutual Relations with Other Law Enforcement Agencies

UPD enjoys an excellent working relationship with the City of Fort Smith Police Department, Sebastian Count Sheri 's Department, and Arkansas State Police.

#### Written Memorandum of Understanding

UAFS has a memorandum of understanding (MOU) between UPD and FSPD that outlines which law enforcement agency will have jurisdiction over certain areas and the procedure of response to calls in assistation with each department. UPD frequently meets with leaders from other departments in a formal or informal setting and o en attends events together in support of our surrounding community. Personnel and resources provided by these law enforcement agencies whenever an incident occurs that exceeds the capabilities of UF or if an incident requires an outside agency to investigate, such as vehicle accidents involving UPD or in case UPD use of deadly force. is practice is common among law enforcement agencies to protect the integrity of the investigation.

#### University Police Personnel Training

e chief of police and their designee are primarily responsible for conducting intensive and continuing training for UPD o cers. Training topics may include criminal law, civil law, federal law, the Clery Act and campus security authority, procedural justice and community caretaking, Title IX, sexual assault and gender violence response and investigation, trauma-informed investigation, public relations, race relations and implicit bias, interpersonal communications, crisis intervention and de escalation, critical incident response and incident command system, emergency operations, emergency medical training, and all facets of protection of persons property. Training includes annual in service sessions with departcionlc (io)12 (n)ntatenm.1 (et)6 (e)-5 (c)-9 (n siminaice and e a3 (, f32.9 (a (g ines, a.9 (m)19.10. im)19 (c)6.9 (dic)-8(si)4 (b)75 (sio)13 (a)8 (g ie )-7 (t)-)83

#### Response to Reports

UPD o cers are available 24 hours a day to answer campus community calls by dialing 479-788-7140 or on campus extension 7140. In response to a call, dispatchers will take the required action by either dispatching a o cer or asking the reporting party to go to the UPD o ce to le an incident report in person. All reported crimes will be investigated by UPD and may become a matter of public record. Crime victims are given on- ar o -campus resource information as necessary and appropriate. UPD procedures require an immediate resport to emergency calls. UPD works closely with a full range of Fort Smith and Sebastian County agencies to assu complete and timely response to all emergency calls.

Priority response is given to crimes against persons and personal injuries. UPD responds to and investigates all reports of crimes and/or emergencies that occur within the university's Clery geography. UPD personnel also can notify FSPD dispatchers of emergencies occurring on campus via portable radio, mobile, and direct call. is syste allows UPD to summon assistance from emergency responders if deemed necessary and appropriate. Incidents occurring within the university's Clery geography are documented and processed for further investigation and review by the dean of students and/or local law enforcement, depending upon the nature of the crime or emerger and the involvement of the local police agency. Additional information obtained via any investigation will also be forwarded to the dean of students. Residential directors, professionals, and student stall may also complete report of potential criminal incidents that are forwarded to the dean of students for review and processing.

To obtain information or request any UPD or safety escort services, community members should call UPD. Located throughout campus are well marked interior phones. ese phones access the campus phone system and can be used like any campus extension, for example, to obtain emergency assistance, contact communit members, or obtain general information.

When placing an emergency call, remember to stay on the line and wait for the dispatcher/o cer to end the ca ese interior phones should be used when seeking information and/or reporting activities, including criminal incidents. If a member of the community nds any of these phones inoperative or vandalized, they should call UPD so the phone can be repaired or replaced as quickly as possible. If assistance is required from FSPD or Fort Smith Fire Department, UPD will contact the appropriate agency.

If a sexual assault or rape should occur on campus, sta on the scene, including UPD, will o er the victim a written notice of rights and options. is publication contains information about on and o campus resources and services and is made available to the UAFS community. e information regarding resources is not provide to infer that those resources are crime reporting entities for UAFS.

As mentioned, crimes should be reported to UPD to ensure inclusion in the annual crime statistics and to aid in providing timely warning campus safety alert (Lions Alert) notices to the community, when appropriate. For example, a crime that was reported only to the UAFS counseling center would not be known to UPD, a campu security authority (CSA), or another university o cial.

University police o cers in vehicles, on foot, or on bicycles are eager to be of assistance and may be contacte directly. University police o cers are in radio contact with the Fort Smith Police Department. For emergencies involving the need for immediate ambulance, re department, or armed law enforcement response, dial 911 immediately and then notify UPD as described above. UPD will respond as quickly as possible to any request assistance. Response time is based on current activity and the severity of the call.

It cannot be stated enough how important it is to report crime promptly and accurately, no matter where it occurs. If a crime is not promptly reported, evidence can be lost and/or cause a delay in the investigation sucl missed leads. If a crime or emergency is witnessed, it must be promptly reported to UPD and questions should be promptly to UPD and que be answered as accurately as possible. e investigation can only be as good as the information received. If or sees or receives knowledge of criminal activity or other emergencies, or if one is the victim of such, they are encouraged to contact UPD or the preferred sources for CSA's as mentioned earlier in the "Reporting Crime a Other Emergencies on Campus" section.
